## ANTI-STRESS, ANTI-MOLD & ANTI-TOXIN WHOLE FOOD NOURISHMENT

**ARE YOU TIRED OF TAKING SUPPLEMENTS THAT LEAVE YOU REVVED UP TO THE POINT OF ANXIETY OR NERVOUSNESS WITH DANGEROUS CANCER-CAUSING AND HIDDEN SIDE EFFECTS THAT YOU DON'T EVEN KNOW ABOUT? ARE YOU AFRAID OF THE INCREASING CANCER RISKS FROM ENVIRONMENTAL TOXICITY AND MAN-MADE VITAMIN SUPPLEMENTS (MULTIPLE VITAMINS ARE SYNTHETIC USP MILLIGRAM-DOSED MAN-MADE VITAMINS)? IF YOU ANSWERED YES, YOU WANT TO READ ABOUT QUORUM NUTRITION™!**

Using advanced principles of quantum physics and nutritional science, Dr. Yanick founded *Quantum Medicine™* and *Quantum Nutrition®* in 1980, and in the late 90's discovered how cells talk to one another, calling it *Quorum Nutrition™*. *Quorum Nutrition™* feeds commensal cells that feed our inner physician. Many Nobel Laureates and scientists have independently supported many of Dr. Yanick's original Quantum Medicine™ concepts.

And, many have tried to copy Dr. Yanick's original innovative discoveries unsuccessfully so be sure that the nutritional food concentrate you choose is labeled **QUANTAFOOD™** or **QUORUM NUTRITION™**. No other kind of food nourishment can adequately nourish afferent nerve cells (neurons) that control digestive, immune and lymphatic functions and re-colonize the good commensal-probiotic cells to augment inner physician regeneration and healing and restore the **QUORUM ECOSYSTEM CYCLE**.

## DISCOVER THE IDEAL INNER PHYSICIAN NOURISHMENT

Sadly, the inner physician is a forgotten and neglected part of human anatomy and its afferent innervations and immune counterparts are not assessed nor nourished by practitioners in alternative or modern medicine. Thus, QuantaFoods, LLC stands out as a unique and innovational food company with superior one-of-a-kind inner physician nourishment. Malnourishment causes afferent neurons and immune cells to weaken allowing cancer to grow and spread, and inflammatory diseases like fibromyalgia, lupus, and arthritis to escalate.

Mold (mycotoxins) and man-made chemicals are the #1 health destroyers because lower afferents induce health-destroying prolonged inflammation that damages the immune system so we cannot resist influenza and infections naturally. The rapid nutrient uptake of quorum-fermented™ nutrients keeps our infection-fighting immune cells and our liver's detoxifying networks robust and healthy. Indeed, researchers have documented that chronic fatigue, cardiovascular problems, inflammation and headaches prostate cancer, Irritable Bowel Syndrome (IBS), Multiple Chemical Sensitivity Syndrome (MCS), fibromyalgia and other disorders are caused by nutrient deficiencies and the toxicity from mycotoxins or man-made chemicals. Stomachaches, pain, headaches, anxiety, insomnia, runaway viral infections and yeast infections are the most common symptoms of commensal probiotic cell malnourishment and deep-channel lymphatic toxicity.

Protect yourself and your loved ones from the nightmarish diseases caused by malnourishment and toxicity. Quorum-fermented™ nourishment quickly cleanses the body of the daily onslaught of toxins found in today's cleaning products, body care products and packaged food products (cookies, breads, chips, crackers, grains and cereals, energy bars, frozen pizza and pizza bases, tortillas and enriched synthetic vitamin products or vitamin supplements). Thus, to be healthy in today's world, we need nature's recipe for nourishment of our body's nerve, digestive, lymphatic-immune, and liver detoxification (excretion) functions in 3 steps:

1. **QUORUM NUTRITION™** just 1 Vcap daily of this 100 to 1 concentrate provides superior Quorum Nutrition™ nourishment
2. **REGENAFOOD™** – just 1 tablet with each meal provides superior protein nourishment needed to repair damage, and clear out mold and toxins that jam up the liver and deep lymphatics, diminishing the immune response\*\*
3. **ANTIOXAFOOD™** – 1 Vcap with lunch and dinner daily provides you with thousands of nutrients (many which will take scientists decades to define and understand) giving you constant reinforcement to survive today's moldy, toxin, and stress-filled world.\*\*

**ALWAYS ASK YOUR DOCTOR BEFORE TAKING NUTRITIONAL FOOD SUPPLEMENTS.** Feel your best! Eat whole foods and supplement only with **pure, organic and living nutrients** as nature intended. The body's built-in power to heal and cleanse itself needs this kind of nourishment because mold and PITs are common in our foods and stress is depleting our nutrients at lightening speeds. To learn more, read Dr. Yanick's new paperback book: **QUORUM SUPERHEALING**

**Our promise of purity:** No animal byproducts or solvents as used in the overwhelming majority of supplements and no toxins (found in 97% of all supplements by reputable university researchers). No mold or irradiated ingredients found in all so-called "superfood" powders (*spirulina, green barley, noni, acai, rice brain, pomegranate or encapsulated powders*)... which go moldy only 21 days after harvesting! \*\* \*\*Statements made have not been evaluated by the FDA. These products are not intended to diagnose, treat, cure, or prevent any disease @
