

MicroStat™ (2 oz) Immune Cell Restorative Nourishment & Balancing

A proprietary blend of organic: *citrus seed extracts, Neem, Myrrh, Yucca, Olive Leaf, Echinacea, Goldenseal, 800:1 allicin, Supercritical CO² extracts of oregano, green tea, ginger and rosemary* with unique, broad-spectrum anti-microbial effects.**

The use of powerful immune-restoring super critical extracts that have rapid assimilation, utilization and provide immune nourishment and fortification against all microbial stressors.** Biofilms are dynamic—and tenacious—microbe communities that are hard to penetrate. They can trigger out-of-control inflammation, the engine that drives an ever-growing list of greatly feared, chronic illness from clogged arteries and heart attacks to arthritis and cancer.**

The anti-microbial and anti-biofilm effects of the herbs in MicroStat™ also nourish innate immune defenses against all types of microbes (bacteria, virus, fungus, and parasites), as documented in references below. Works topically, on gums, on toenail fungus, in soaps and shampoos, or inhaled (diluted) for sinus problems.** Unlike other anti-candida or anti-viral/anti-bacterial remedies that cause an unwanted “see saw” effect with other microbes getting stronger, the broad spectrum effects of MicroStat™ make it the ideal immune nourishment product.**

Powerful ingredients like Allicin 800:1 – believed by scientists to be the most powerful natural anti-fungal, anti-biofilm and anti-bacterial food in the world (*J. Nutr.* 131(3S): 955S-962S, 2001; *Phytomed* 7(2): 51, 2000; *Planta Med.* 58: 8-13, 1992; *Med Res Rev* 16(1): 111-124, 1996; *Planta Med* 60: 214-217); Rosemary – 300:1 is a powerful anti-inflammatory (COX-2 inhibitor) with anti-tumor effects (*Cancer Research* 1994 1:54(3):701-8; *Carcinogenesis* 1999 20(10): 1945-52; *Cancer Research* 1998; 58:11;2323-7; *Planta Med* 1995 61(4):333-6); and Oregano - 200:1 Researchers report powerful anti-microbial effects (*Flav Ind* 1971; 2; *Pharm Weekly* 9; *Horticulture* 59(7),1981; *Pharm Acta Helv* 1994; 69(1); *Oral Microbiol Immunol.* 1994;9(4); *Micobios* 1996; 86(349); and *Pharmazie*, 1980)

Dose: 1 tsp twice daily. **Servings per Bottle 12**
