

DetoxaHerb™ (30 cap) Liver-Circulatory Cleansing & Nourishment

Most detoxification strategies have been proven to promote liver and bladder cancer and cause genetic mutations. Toxicants plaque hepatic circulation reducing nutrient deliver dramatically and this causing chronic toxicity. Researchers state that:

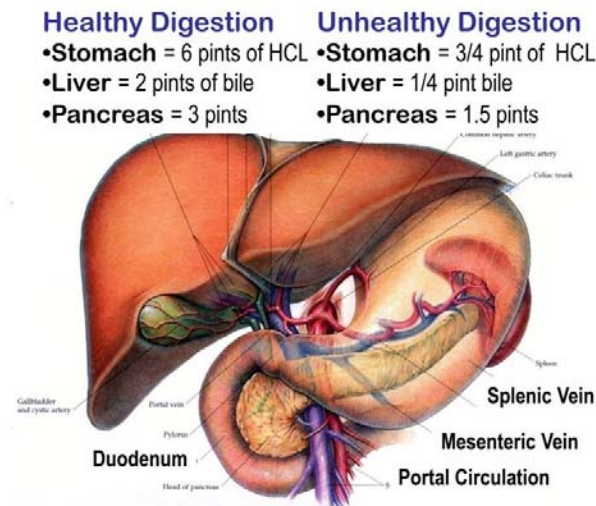

- **GUDUCHI** (*Tinispora Cordifolia*) restores immunocompetence & bile production/flow and is a powerful antioxidant and cardioprotective food with anti-diabetic, anti-cancer and anti-allergic health benefits (*Phytochemistry* 14, 1975; *J Med Plant Res* 39;1980;; *J Postgraduate Med* 34(4), 1988; *Indian J Med Res* 90:1989; *Indian J Gastroenterology* 12(1):1993; *Phytotherapy Research* 15: 2001; *Biol.
