

DISCOVER: THE WORLD'S ULTIMATE SKIN NUTRITIVE & POLARITY-RESTORING MASSAGE OIL: NEUROSYNC OIL™

In the cellular world, a battery-like polarity or voltage empowers cells, and has greater than a 900 times influence over resonance in governing how fast we heal or recover from an illness, trauma, or an infection. Afferent neurons, that de-stress and regenerate the body are activated to a level that exploits innate *healing* at zero-point energy (ZPE).¹⁻⁴

Cell polarity has an organizing influence on both human and commensal-probiotic cells when applied to the skin as the body's largest endocrine organ. Skin nourishment of this nature allows afferents to jump-start regenerative functions throughout the entire body.⁴⁻¹⁵ And, afferents need transdermal polar lipid nourishment, not found in any other massage oils or in the overwhelming majority of Omega EFA supplements. Since afferent neurons control detoxification, hormonal, digestive, kidney and immune functions, **NEUROSYNC OIL™** is indispensable in clinical practice.¹⁶⁻¹⁸

Discover the unique benefits of **NEUROSYNC OIL™** for massage:

- Contains polarity-based minerals and lipids, essential to the proper functioning of human and commensal-probiotic cells and neurons, unavailable via homeopathy or other massage oils**
- Regenerative skin nutriture that activates stress-depleted afferent neurons.**
- Restore neural bio-electric functions and conductivity of scars and damaged skin**
- Stops the "cell polarity" drain in a world polluted with man-made chemicals**

NEUROSYNC OIL is a proprietary blend of the world's finest organic ingredients that are rich in non-oxidized Polar Lipids: Hexane-free Castor Oil from India, Supercritical Wheat Germ Oil (no gluten) loaded with full spectrum tocopherols and tocotrienols, Organic orange peel extract (DI Limonene), and zero-point infused trace minerals charged with nature's polarities. No animal ingredients and/or animal testing.
