

ThyroEnergizer™ (60 liquid Vcaps)

Thyroid Food Nutritive & Concentrate

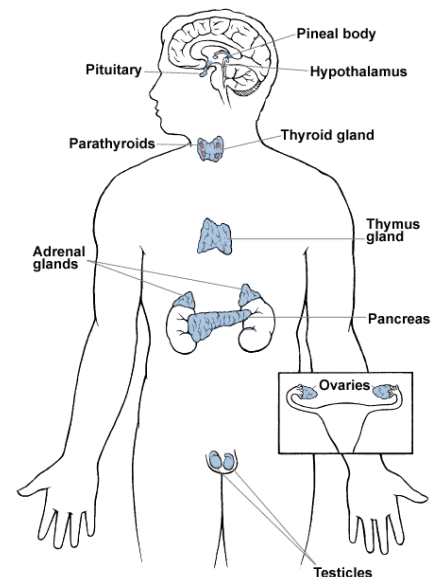

A proprietary blend of super-concentrated foods, seaweed and herbs--*Bladderwrack, Kelp, Juniper Berries, Gota Kola, and Eleuthero root*--rich in trace minerals and food-based nourishment that can fortify and support the synchronization of hormone responses against stress and xenoestrogens (toxic chemicals that mimic and block hormones). It nourishes and supports metabolism and healthy adrenal functions which, in turn, promotes adaptation to stress. Rich in nutrient precursors that help the body make hormones, EndoSync™ supports energy, vitality and work performance. ** Dose at one a day for

a full 60-day supply!
